DEEKSHARAMBH – 2021

Introduction:

KBN College Autonomous conducted the Student induction programme from 16th to 17th April to make students comfortable with the institution rules and regulations. Transition from junior college to Higher education is one of the most challenging event in the student's life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and most of them have little knowledge of a college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role. Student Induction is designed to help in the whole process.

Deeksharambh - Student Induction Programme:

The purpose of KBN College Deeksharambh 2021 - Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

The term induction is generally used to describe the whole process whereby the incumbents adjust to or acclimatize to their new roles and environment. In other words, it is a well-planned event to educate the new entrants about the environment in KBN College, and connect them with the people in it.

Student Induction Programme engages with the new students as soon as they come into Our institution, before the commencement of regular classes. At the start of the induction, the incumbents learn about the KBN College policies, processes, practices, culture and values.

Students Induction could cover a number of different aspects (SAGE):

Socializing: meeting other new students, senior students, students union, lectures by Eminent People;

Associating: visits to University / college, visits to Dept./Branch/ Programme of study and important places in campus, local area, city and so on;

Governing: rules and regulations, student support etc;

Experiencing: Subject lectures, study skills, small-group activities, physical activity, creative and performing arts, literary activities, universal human values, etc.

COUNSELLING SESSION BY
PSYCHOLOGIST

COUNSELLING SESSIONS FOR PSYCHOLOGICAL WELL-BEING

KBN College established Counselling and Psychological Wellbeing Centre with the primary objective of providing mental health and emotional support services to students and sometimes even staff members. This centre plays a crucial role in promoting the mental and emotional wellbeing of individuals within the college community.

The primary function of the centre is to offer counselling and therapy services to students. This may include individual counselling, group therapy, and sometimes family counselling. The goal is to help students address a wide range of issues, including stress, anxiety, depression, relationship problems, academic challenges, and personal development.

OBJECTIVES:

- Provide counselling and psychological support services to the students to help them cope with academic, personal, and emotional challenges.
- Assist students in developing effective study habits, time management skills, and stress management techniques to enhance their academic performance.
- Promote mental health awareness and resilience among students through workshops, campaigns, and educational programs.
- Offer immediate support and intervention for students experiencing crises, such as severe emotional distress, academic failure, or interpersonal conflicts.
- Provide strategies and resources to help students manage stress and anxiety related to academic and personal pressures.
- Offer counselling and education to prevent and address substance abuse issues among college students.
- Support new students in adjusting to the college environment and help them overcome homesickness or social challenges.

- Organize workshops and seminars on topics like mindfulness, self-care, and healthy relationships to promote overall wellbeing.
- Maintain strict confidentiality to create a safe and trusting space for students to seek help.
- Connect students with external mental health professionals or resources when needed for specialized care.

**GUEST LECTURE ON
'REACHING GREATER HEIGHTS IN LIFE'**

ORGANIZED BY

**COUNSELLING AND PSYCHOLOGICAL WELL- BEING CENTRE &
UGC WOMEN'S STUDIES CENTRE**

ON THE OCCASION OF MENTAL HEALTH AWARENESS WEEK

11th OCTOBER 2022

A Guest Lecture was organized by Counselling and Psychological Well-being and UGC Women's Studies Centre by Dr. Indla RamaSubba Reddy, Director – Indlas Hospitals.

OBJECTIVES:

The main objective is to create awareness among students about their physical & mental health.

- Awareness about balancing and maintaining a healthy life style.
- Reducing Stress levels and building confidence.
- Accepting the ups and downs of the life cycle.
- Imparting moral values and responsibilities.
- To provide accurate knowledge to students about the process of growing up.
- Ability to handle both success and failure.

On the occasion of Mental Health Awareness Week, the chief guest addressed the students about the various aspects of maintaining a good and balanced life style to overcome the stress. He trained the students by showing real life instances from Mythology, Sports and various fields. He stressed to develop good habits like reading books, having physical activity in their daily routine, maintaining social responsibility and inculcating the habit of having good relationship with the family as well as society. For the better understanding of the concept he created a lively environment by telling stories and interacting with students. 112 students from B.Com Computers, TP and BCA attended the session.
