Career Awareness Programme

"OPPORTUNITIES IN MACHINE LEARNING"

Report

Organised by: Department of Mathematics and Statistics

20th November. 2021

Department of Mathematics and Statistics hosted a Career Awareness Program on "Machine Learning" on November 20, 2021. Mr. B.Yahoshiva, Data Analyst, Stablix Solutions Pvt. Ltd, Kerala, Trivendrum, is the resource person.

Objective of the programme: To raise awareness about the various job options available in Machine Learning.

The speaker delivered an informative presentation on the importance of Machine Learning employment options. He also provided guidelines:

- To become Machine Learning Engineer
- To become Data Scientist
- To become Human Centered Machine Learning Designer
- To become Computational Linguist
- To become Software Developer.

At the conclusion of the session, our Principal Dr.V.Narayana Rao, Vice-Principal Mr.PL Ramesh, and Department Head Ms. M.L.Prasanna felicitated the guest. The session drew more than 100 students from III BSc MSCs-I and II. Mr.Shaik Rahamthulla, Ms.Ch.Shalini, and Ms.P.Kalma Begum were among the department's faculty members who attended the event.

Outcome of the Programme:

Students will be able to comprehend the significance of Machine Learning and the development of an attractive CV as well as several websites for career opportunities.

Mr. B. Yohoshiva, Data Analyst, Stabilix Solutions Private Limited, addressing the students

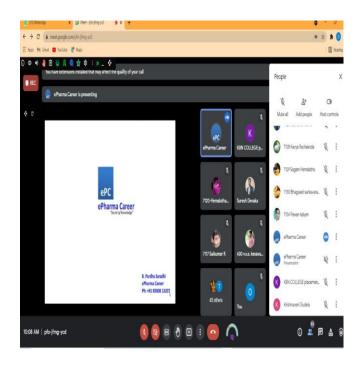

Career Guidance and Awareness Programme "What Next" (1st August, 2021)

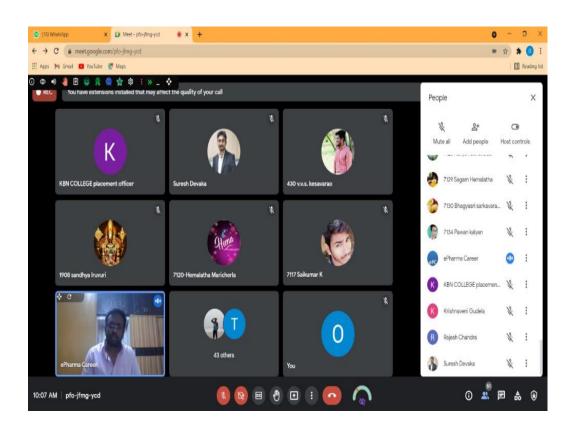

PG Department of Chemistry in collaboration with Placement and Guidance cell of K.B.N College organised a Career Guidance Programme on 'What Next' Mr B. Pardhasaradhi, Managing Director, Epharma Careers, Hyderabad on 1st August, 2021 for M.Sc. Organic and Analytical Chemistry Students through Google Platform.

In the programme he gave information about the scope of Chemistry students in pharmaceutical industries and spoke about the importance of setting up personal goals in life. He also emphasised the importance of internships and apprenticeships among the students.

He also told that in the pharmaceutical industry chemists can occupy the positions such as

- Laboratory Analyst
- Quality Assurance Manager
- Quality Control Manager
- Production Chemist

PLACEMENT & GUIDANCE CELL – ACTIVITIES & REPORTS

PLACEMENT & GUIDANCE CELL

The Placement & Guidance cell of KBN College strives to train every student for enriching them with communication skills, reasoning and mathematical skills to face competition and to conduct placement drives and to provide their dream career and build their bright future. It helps each student in exploring placement opportunities by inviting various companies for campus recruitment of students who are in the final year of the programme and are likely to graduate at the end of the academic year.

The Placement Cell organizes career guidance programmes for all the students starting from first year. The cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc., . It also invites HR Managers from different industries to conduct training programmes for final year students.

OBJECTIVES

- To enhance the employability of students by providing them with the necessary skills, knowledge, and resources to excel in the job market.
- To offer career counseling and guidance to help students make informed decisions about their career paths, based on their interests, skills, and aspirations.
- To facilitate job placements for graduating students by connecting them with potential employers and assisting them in securing suitable job opportunities.

- To Establish and maintain partnerships with companies, organizations, and industries to facilitate on-campus recruitment, internships, and industry visits.
- To organize placement drives and recruitment events on campus, where companies conduct interviews and make job offers to eligible students.

SERVICES

- Organize skill development workshops and training sessions to improve students' soft skills, including communication, teamwork, leadership, and problem-solving abilities.
- Maintain a database of job openings, internship opportunities, and placement-related information to connect students with relevant career options.
- Collect feedback from both students and employers to continuously assess and improve the effectiveness of the placement process and services offered.
- Assist students in finding and applying for internships
- Help students create professional resumes that effectively showcase their qualifications and experiences to potential employers.
- Conduct mock interviews, workshops, and training sessions to prepare students for job interviews.
- Maintain accurate records and data related to placements, internships, and career development activities to provide valuable insights for future planning and improvements.

TOPIC: HEALTH EDUCATION - PHYSICAL FITNESS -

DATES: 12.06.2020-13.06.2020

The Department of Physical Education conducted two day capacity building orientation program for the students of UG & PG of our college on "Health Education & Physical Fitness" with the help of computer science department from June 12th to 13th 2020 at 4pm to 5pm regarding the program 1st day topic is "Health Education" in this topic: tips to improve immunity and health is explained.

Health education is important in every aspect of life say whether any emergency situation are about our day to day life, people were unable to understand the seriousness of this pandemic COVID - 19.

Health Education is also important because it teaches to stay calm and to stay in sound mental condition during this kind of situation.

2nd day topic is "Physical Fitness". It refers to the organic capacity of the individual to perform the normal task of daily living without undue tiredness. Physical Fitness has become the well - built foundation of a structure. All the activities that makes life worth living whether intellectual life, spiritual life, love life and social life. In this program hundreds of students participated and responded actively.

2nd day we sent a questionnaire with multiple choice. We selected 1st, 2nd & 3rd basis on their responses. Instructor of these sessions is Sri D. Hema Chandra Rao, H.O.D Department of Physical Education.

<u>12.06.2020: https://www.youtube.com/watch?v=Gh1Q_Vy-9yY</u> 13.06.2020: https://www.youtube.com/watch?v=cxoUqu2ak-0

Definition and meaning Health Education

The World Health Organization (WHO) defined health education as "comprising of consciously constructed opportunities for learning involving some form of communication designed to improve health literacy, including improve knowledge, and developing life skills which are conducive to individual and community health"

Tips to improve immunity and healt

Immunity boosting vitamins are B6, B12 and vitamins A, C, D and E. The best source is to get them from daily food, as body absorbs and uses them when they come straight from dietary sources. Vitamin supplements are just to fill the gaps in diet. Vitamin B6, which is very important for biochemical reactions in immune system, comes from bananas, potatoes and chickpeas. Cod liver oil, sweet potatoes, carrots, black-eyed peas, spinach and broccoli are rich of Vitamin-A. Vitamin E is a very powerful antioxidant that helps fight infections. Sources of vitamin E are almonds, peanuts, hazelnuts, sunflower

FRE KRUCET COACHING-2022

<u>1. Title:</u> Free Coaching for PGCET in Chemistry

2. Goals:

- To enable our students to compete with and excel over students from other colleges both urban and rural areas.
- ✤ To provide students with information of opportunities for higher education.
- ✤ To enhance their skills and abilities to pursue research and higher education.
- ✤ To equip and enrich students with a comprehensive knowledge of chemistry.
- To motivate and develop an inclination for research and provide training in research skills.

3. Context:-

There is a dire need for research in pure sciences especially chemistry. There are very few who pursue research as a career, inspite of the innumerable opportunities available for growth and excellence. Students are provided with information and opportunities to develop their careers in chemistry. They are encouraged and trained for PGCET in chemistry. They are given free coaching classes and are taught basic knowledge of chemistry including organic and inorganic chemistry, physical chemistry and general chemistry.

Training in research aptitude and teaching aptitude is given. Objective tests in chemistry are conducted for students to face the competitive examination confidently.

4. The Practice:-

The faculty members of the PG department of chemistry train the students in the free coaching classes to all the Final Year Degree Students in Chemistry in the 6th semester for various common Entrance Tests conducted by various Universities. Students are provided Coaching in General Chemistry, Inorganic Chemistry, Organic Chemistry and Physical Chemistry. Online tests and objective tests are conducted to enable students to secure good ranks in the University CET Examinations. Short cuts and easy methods are taught by the faculty to improve the performance of students in the Entrance Examinations.

5. Evidence of Success:-

This practice has proved itself successful with a great number of students scoring good ranks in PGCETS and pursuing post-graduation in chemistry. Many students joined the coaching classes with great enthusiasm and eagerly learnt the subject. They secured excellent ranks and got admission in M.SC Chemistry in reputed universities. During the past five years, around 65 students got admission in the Krishna University and Acharya Nagarjuna University.

6. Problems Encountered & Resources Required:-

Many problems were encountered in implementing the practice. The no of students enrolling for the coaching classes decreased since and again. The attendance was also very poor. It was a great challenge and we had to strongly counsel the students from time to time to run the programme successfully.

PG CET Coaching giving to the Degree final year students by Dr. G. Krishnaveni, Assistant professor in PG Chemistry

PG CET Coaching giving to the Degree final year students by M. Siva Kishore, Assistant professor in PG Chemistry

FREE ICET COACHING PROGRAMME 2021

Department of MBA Organised FREE - ICET coaching Programme -2021 for KBN College Students in the month of March for Both Arts & Science Students. Total 150 students were joined in FREE ICET Coaching Programme 2021. The Classes are started from March24th 2021 to April 24th 2021 (OFFLINE CLASESS). In the lockdown period-2 we are organised FREE -ICET Coaching Online Classes for the students. The Online Classes are started from May 21th 2021 to September 15th

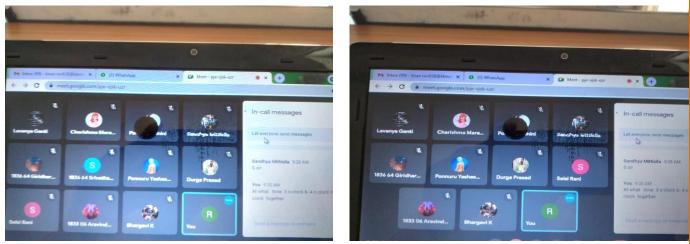

2021 (ONLINE Classes).

Dear Student,

We are pleased to inform you that you are shortlisted to attend PhD entrance examination to be held on 24 April 2021 (Saturday). The entrance examination and interview will be held online, and further details & login credentials will be conveyed to you one day before the date of entrance examination.

Candidates appearing for the PhD entrance examination in Science discipline could follow CSIR Syllabus, Arts & Humanities discipline could follow UGC syllabus and Engineering discipline could follow GATE syllabus. The duration of the exam is for one hour and includes multiple choice questions.

Following the written examination, the Doctoral Students Selection Committee of the concerned department will hold an online interview for those students who had secured more than 60% in their qualifying entrance examination. We offer only a full-time PhD degree programme, and all selected candidates will be paid a fellowship of Rs. 20000 per month and on-campus accommodation & mess facility. Day scholar students can avail University transport facility to reach the campus. Please note that at the moment, we are not offering any part-time PhD degree programme.

Please confirm your willingness to attend the entrance examination on or before 19.04.2020 (Monday) through a return email (research@srmap.edu.in). Please mention your application number and name of your PhD subject in all your email communications. With regards,

Prof. Jayaseelan Murugaiyan.,Ph.D., PhD Admission Coordinator, SRM University AP, Andhra Pradesh - 522502 Phone: +91 863 234 3082 Mobile: 0091 6383557214 Email: research@srmap.edu.in

Dear Student,

We are pleased to inform you that you are shortlisted to attend **PhD entrance examination** (online mode) to be held on 28 August 2021 (Saturday). The entrance examination (morning session) and those who qualify the entrance examination will be interviewed in the afternoon, and <u>further details & login credentials will be conveyed</u> to you one day before the date of entrance examination.

Candidates appearing for the PhD entrance examination in science discipline could follow CSIR Syllabus, Arts, Humanities & Management discipline could follow UGC syllabus and Engineering discipline could follow GATE syllabus. The duration of the exam is for one hour and includes multiple choice questions. There will be no negative marks in the entrance examination.

Following the written examination, the Doctoral Students Selection Committee of the concerned department will hold an online interview for those students who had secured more than 60% in their qualifying entrance examination. The selected candidates will be issued a provisional admission letter within two weeks from the date of the entrance examination.

Our PhD programme is a full-time program, and at the moment, all selected PhD students will receive a fellowship of Rs. 20000 per month and on-campus accommodation & mess facility. Day scholar students can avail University transport facility to reach the campus.

Please confirm your willingness to attend the entrance examination on or before 20.08.2021 (Friday) through a return email.

If any of you have already cleared UGC/CSIR/ASRB(ICAR)/DBT/ICMR - NET or JRF, NBHM or JEST, you may please reply to us with a copy of the certificate/award letter. With regards,

Prof. Jayaseelan Murugaiyan.,Ph.D., PhD Admission Coordinator, SRM University AP, Andhra Pradesh - 522502 Phone: +91 863 234 3082 Mobile: 0091 6383557214 Email: research@srmap.edu.in
