

MEGA TREE PLANTATION PROGRAMME

(14-07-2023)

On the 14th of July, 2023, the NSS Units, in collaboration with the SNG Foundation located in Vijayawada, orchestrated a grand Tree Plantation Program. This event took place from 2:00 PM to 3:00 PM at the WAGON WORKSHOP, situated in Rayanapadu, Guntupalli, Vijayawada Rural. Remarkably, the SNG Foundation set an ambitious target of planting a staggering 1,500 trees within a mere two minutes. This extraordinary feat was made possible through the dedicated efforts of 400 NSS Volunteers who wholeheartedly participated in this noble endeavor.

In recognition of the significant contribution made by our KBN College students towards the successful execution of the plantation drive, the organizers from the SNG Foundation extended their appreciation. They took the opportunity to honor our esteemed NSS Programme Officer-2, Sri D. Pavan Kumar, for his unwavering support and encouragement of students who actively participated in this momentous program.

MEGA TREE PLANTATION PROGRAM
On 14th July, 2023 at 2.00 PM to 3.00 PM
SNG Foundation is attempting to
plant **1,500** plants
in a record time of **2** minutes at
WAGON WORKSHOP, Rayanapadu, Guntupalli, Vijayawada Rural.
We request all the plant lovers, well wishers and volunteers
to participate in the event and make it a grand success.
