

Career Guidance and Awareness Programme

“What Next”

(1st August, 2021)

PG Department of Chemistry in collaboration with Placement and Guidance cell of K.B.N College organised a Career Guidance Programme on ‘What Next’ Mr B. Pardhasaradhi, Managing Director, EPharma Careers, Hyderabad on 1st August, 2021 for M.Sc. Organic and Analytical Chemistry Students through Google Platform.

In the programme he gave information about the scope of Chemistry students in pharmaceutical industries and spoke about the importance of setting up personal goals in life. He also emphasised the importance of internships and apprenticeships among the students.

He also told that in the pharmaceutical industry chemists can occupy the positions such as

- Laboratory Analyst
- Quality Assurance Manager
- Quality Control Manager
- Production Chemist
