

KBN COLLEGE, VIJAYAWADA

NCC UNIT FLOOD RELIEF SERVICES

Duration: 2nd September – 9th September 2024

Brief Description of Activity:

In response to the severe floods that affected Vijayawada due to continuous heavy rainfall from 1st to 10th September 2024, the NCC cadets of KBN College actively participated in flood relief operations. Demonstrating a strong spirit of service and compassion, the cadets were engaged in multiple humanitarian activities aimed at supporting the affected communities.

Under the leadership and initiative of **Sri T. Srinivasu Garu**, Secretary & Correspondent of KBN College, food was prepared on campus and packed for distribution. The efforts were further coordinated by **Dr. V. Narayana Rao Garu**, who ensured the systematic delivery of food and essential supplies to flood-impacted areas.

Vice-Principals **Dr. M. Venkateswara Rao** and **Sri P. L. Ramesh** also extended their support in coordinating the relief operations. **Sri D. Pavan Kumar**, Programme Officer of the NSS Unit, mobilized the NCC cadets and guided them in various relief service activities, including food distribution and assistance in affected zones.

Outcome/Effect of Activity:

- **Community Relief Support:** Immediate assistance was provided to flood-affected residents through the distribution of freshly prepared food and essential supplies.
- **Student Engagement:** NCC cadets demonstrated exemplary discipline, teamwork, and empathy during the relief efforts.
- **Institutional Involvement:** Active participation by college leadership and staff highlighted KBN College's commitment to social responsibility.
- **Skill Development:** The cadets gained real-world experience in crisis management, logistics, and coordinated service operations.
